LA STANZA DEL SOGNO

Sumptuously stylish fabrics enter the bedroom and create the perfect atmosphere for a comfortably cosy stay - it's the secret to a restful night's sleep. Mascioni Hotel Collection relies on the finest materials and the most attractive color combinations, and attaches the utmost importance to detail and design. All-natural fibers and luxurious fabrics like Flanders cloth, pure linen, percale and satin in either pristine white or a range of innovative colors and prints: truly the ideal complement to every setting, from the heartlands of tradition to the hotspots of contemporary design. Mascioni Color System technology produces prints and colors that never lose their amazing vividness. The original brilliance and vibrancy of all Mascioni Hotel Collection products are guaranteed to last.

Thanks to Mascioni's enviable technological expertise, the Hospitality industry can now enjoy the benefits of high-performance fabrics like Dreamcotton and Dreamlinen: ultra-pure cotton and linen given a special treatment to enhance elasticity and make commercial pressing easier and more effective than ever before.

LA STANZA DELL'ACQUA

It's pure, it's luxurious and it's supremely comfortable: it is the Mascioni Hotel Collection bath range, the embodiment of a mindset that will settle for nothing short of superior quality and thoughtful design. Mascioni Hotel Collection uses only the finest fabrics, like long-staple egyptian cotton, and treats them skillfully to make bathrobes and towels of unparalleled perfection.

The complete range includes many stylishly unique models: customized to customer specifications, conceived to meet and surpass the needs of the most demanding guest, and created to stay soft and richly absorbent over time.

LA STANZA DEL GUSTO

From the lavish opulence of coveted Flanders cloth to the unsurpassed elegance of pure linen, with warp threads in shades of unbelievable brilliance, Mascioni Hotel Collection strikes the perfect balance between fashion and tradition. This versatile range was designed to cater to the ultra-conservative fine dining establishment or the trendiest eatery on the block.

Displaying the most painstaking attention to detail, the table linen in the Mascioni Hotel Collection features fabrics created specifically for the trade and guaranteed to preserve the same extraordinary color, appearance and finish over time.
