Forbes INDUSTRIES

Food & Beverage Solutions

As a world-renowned global hospitality equipment provider, Forbes Industries is committed to your successful F&B operations. Our commitment never stops. We're always looking for ways to improve guest satisfaction through the products hoteliers rely on every day. We create what our customers can envision and design and produce items that project an upscale image of quality and durability. No hassles, no worries, just innovations that work.

MULTI-FUNCTIONAL SOLUTIONS

The "back of house" in hotels is getting smaller. Multi-functional products from Forbes Industries help hoteliers perform more with less.

SUSTAINABILITY

Located in Ontario, California, Forbes Industries operates under the strictest environmental regulations in the world and helps customers meet their sustainability goals by using durable and recyclable materials, environmentally safe coatings, and building long-lasting products.

Find it at Forbes Industries!

At Forbes Industries we know your guests are counting on you and your staff to make their experience something to be celebrated and remembered. We understand your commitment to making them feel warmly welcomed and cared for; we've been helping those in the hospitality industry provide this kind of world-class guest experience for over a hundred years. Shown here are only a few of the products we offer, and each represents a line of similar products giving you the ability to select your exact configuration, fit, and finish.

You can be confident you'll find the mobile furniture and equipment you need for your next project.

We've Got You Covered

Protect your investment with a custom cover and add your logo for branding. Our covers are built to fit your specific product; don't settle for generic sizes or sloppily draped covers. We have sourced the finest fabrics to create aesthetically pleasing covers for ballrooms, pool areas, lobbies, and concession areas, as well as padded covers for storage and protection. See page 184.

Forbes Industries products come with a 3-Year warranty on most products.

Mobile Bars & Back Bars

COMBINATION SETS | LED ENHANCED BARS | FRONT BARS
BACK BARS | ETAGERES | TRAY STANDS | COMPANION CARTS

MOBILE BARS - STANDARD FEATURES

Forbes' Mobile Bars are available in solid wood, wood veneer, or HPL finishes. Most are certified by ETL to meet NSF Standard 2 and include a stainless steel work counter, an insulated sink with drain, speed rails, and sections for glass racks and storage. These bars are built to be durable and functional, yet attractive with many available accessories.

Most Forbes Mobile Bars are certified by ETL to meet NSF Standard 2

Standard sizes on most bars are 5' and 6'. 4' and 8' sizes are available on some models. Please call for more details.

Two removable 18" long, 22 gauge stainless steel speed rails.

22 gauge brushed stainless steel backsplash and working surface with spill lip.

3/4" plywood construction using furniture-grade, 5-ply with no voids. No MDF or particle board!

16 gauge stainless steel glass rack slides.

12" x 14" x 9.75" insulated stainless steel ice bin with drain.

Cabinets are glued, pneumatically pinned, stapled and secured with screws and/or mod-ex fasteners.

Casters are mounted to an 11 gauge steel reinforcement plate that spans the width of the base. Plates are drilled and tapped for easy caster replacement.

DELUXE BARS 7-STEP FINISHING PROCESS

1) Exterior is covered in 20 mil wood veneer
2) Interior is finished in High Pressure Laminate
3) Wood veneer and solid wood molding are sanded
4) Water-based, low-VOC stain is applied
5) Solvent-based sealant is applied
6) Final sanding
7) Varnish is applied

STEEL TRAY STAND CONSTRUCTION

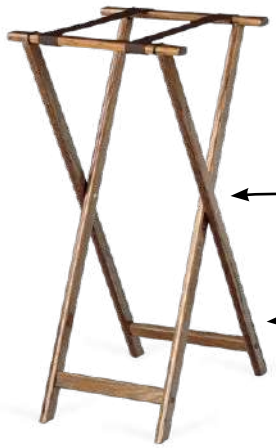

- *Heavy gauge steel tube*
- *Steel rivets and nylon spacers are used at pivot points*
- *Metal clips are glued and crimped on strap ends*
- *Available in four finishes*

This design reduces fraying of strap ends, secures straps to rack more effectively and hides the hardware.

METAL CLIP STRAP END

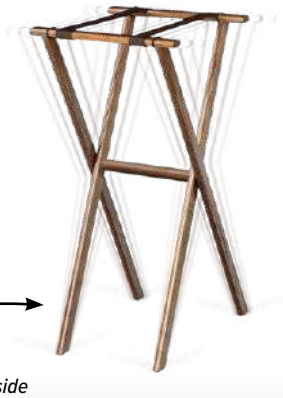

OAK TRAY STAND CONSTRUCTION

- *All oak stands are equipped with two horizontal cross braces near the bottom of the legs*
- *Brass plated steel rivets and nylon spacers are used at the pivot points*
- *Strap ends are folded over and pneumatically attached with 1/2" long heavy-duty construction staples*
- *All Forbes oak tray stands go through a six-step high quality, furniture-grade finishing process*

Brass plated steel rivets and nylon spacers are used at pivot points

Lower cross braces provide better stability

Other brands without lower cross braces may wobble from side-to-side

COMPANION CARTS

Mixology & Specialty Bar Carts

MIXOLOGY CARTS | WINE & CHAMPAGNE CARTS

MIXOLOGY

BY **FORBES** // WITH **CHRIS ADAMS**

Early in his career, Chris Adams trained with a Master Bartender. He learned to be technically sound in the art and chemistry of Mixology and to understand the emotional connections guests form with each drink. Having in-depth knowledge of all the elements was only part of the equation. The stories and history behind those elements and pairings gave him the foundation to maximize his skills.

The only missing piece was having a method to deliver these experiences to guests. Chris and the Forbes Design Team collaborated to create several design concepts. The result: a unique line of Mixology Carts specifically focused on enhancing the Mixologist's presentation, tools, and ingredients.

"Mixology for me, is no longer simply about cocktails, it is creating a 360-degree experience."

MIXOLOGY CART FEATURES

Built-In Everything! The Mixology Carts are designed with functionality in mind. Top-tier models are available with all the bells and whistles. This can include adjustable gallery rails, extending speed rails, built-in garnish and drip trays, storage for liquor, mixology tools, crushed and large format ice, a glass rinser and so much more!

Three Top Configuration Options: Depending on your needs, we provide three configuration options for the top.

Customizable Cold Storage: Designed for the experienced user, our insulated Mixology Carts accept standard-size food pans. This allows for the Mixologist to organize their ingredients. If items need to stay cold and not wet, it separates them from the ice. Within arm's reach larger pans for either crushed or large-format ice can be swapped out easily.

Multiple Price Points: Each design is offered at multiple price points to ensure you get the Mixology Cart you desire at a price point that fits your budget.

Boosted Social Media Presence: With all the hype around social media presence, Mixology Carts are sure to create those special one-of-a-kind post-worthy moments that everyone will want a piece of.

ROI : Professional Mixologists thrive on creating unique experiences for their guests. These carts are perfect for taking the show directly to the customer. The Mixology Cart is an income-generating machine on wheels!

*Accessories are available. Please call for more details. *For a complete list of finish options, please visit us online at: www.forbesindustries.com.

ROLLING DISPLAYS

VERSATILE PRODUCT LINE
Rolling Displays are suitable for use as a food display, back bar, literature stand, accent piece, or anything in between.

BUILT-IN MOBILITY
Each Rolling Display is completely mobile and comes equipped with swivel casters and brakes to allow for effortless mobility as well as the ability to lock into place.

VARIETY OF STYLES
Ranging from classic contemporary to modern mid-century, there's sure to be a Rolling Display to complement your decor and style.

PRECISE ENGINEERING
Countless hours were spent meticulously engineering and vigorously testing each Rolling Display design to ensure that you get the most out of your investment.

QUALITY CRAFTSMANSHIP
We use state of the art equipment alongside traditional handcrafted construction processes to provide an aesthetically pleasing product that's built to last.

MULTIPLE PRICE POINTS
Choice matters. Each design is offered at multiple price points to ensure you get the Rolling Display you like at the price point that satisfies your budgetary needs.

SEVERAL FINISH OPTIONS
With dozens of finish options to choose from, we are confident that we have the perfect finish combination for you.

Shown: Executive Series Euclid Rolling Display with gray tempered glass shelves paired with gray tempered glass EcoFlex Tables

*For a complete list of finish options, please visit: www.forbesindustries.com/finish-options.

THE QUAD

The simple and well-balanced design of The Quad Rolling Display is the epitome of the maxim, “less is more.” Its minimalistic design, paired with numerous finish options, will seamlessly accent any decor. The illusion of floating shelves helps to create the feeling of added space while making everything displayed more accessible. Whether you intend to use it as a food display, back bar, or anything in between, the four long shelves provide ample space for you to customize arrangements for any event.

EUCLID

As described by Euclid, the father of geometry, an isosceles triangle is one having exactly two equal sides. The beauty of this simplistic shape is the complexity of possible configurations that are born when combining two or more units. Another advantage to its unconventional shape is its ability to nestle into corners. Personalize your look with several shelf options ranging from clear or smoked gray tempered glass to our plethora of Terrazzo options. Give your venue a touch of class with the Euclid Rolling Display.

Shelves are available in several finish options including acrylic, clear or gray tempered glass, and several Terrazzo options

The Euclid's unique shape allows you to conveniently nest it in corners or combine multiple units to create stunning custom configurations

Euclid is built with robust 1 1/2" square tube vertical uprights paired with 1" square tube horizontal shelf supports

Comes equipped with all swivel 3" chrome plated casters with brakes

Shown: Elite Series with Black Crystal Trend Glass shelves.

RUSTICA

In an age where smart phones and flying drones are commonplace, sometimes it's nice to take a step back to a simpler time. Rustic decor has made a full comeback proving that everything comes full circle. Inspired by the popularity of Forbes' Rustica Nesting Table Series, the four tiered Rustica Rolling Display is the perfect companion to compliment your set. It boasts our specially sourced vintage style casters and three different shelf style options to suite your needs. Take a step back from the virtual and a step towards the authentic with the Rustica Rolling Display.

FOSS

Based on the popularity of the Foss Nesting Tables, Forbes was inspired to create a companion Rolling Display to complement the set. Complete with the same stylish waterfall edges and robust 1.5” steel tube frame, the Foss Rolling Display features adjustable shelving which allows you to customize the shelf heights based on your needs. The compact footprint and vertical display area combine to make the Foss a great solution for smaller areas. Add the finishing touch to your decor with the Foss Rolling Display.

THE CLASSIC

Classic rock, Classic cars, Classic Etagéres. Classics are the originators of themes, genres, or styles and are generally recognized for serving as standards of excellence. They are not born as “classics” per se; they usually have a unique, timeless, or lasting quality about them that earns them that title. This Etagére has been one of our customer’s favorites since its introduction last century. It could be described with adjectives like “simple,” “clean,” and “timeless.” But we think the one that describes it perfectly is “Classic”.

MANHATTAN

With a mobile shelving design like no other, the Manhattan Rolling Display functions as impressively as it looks. The slat wall design echoes the architectural beauty of the high-rises that paint the Manhattan skyline. Combine this with the versatility and strength of reinforced aluminum inserts for adjustable shelving and you get the Manhattan Rolling Display. This truly unique piece, complemented by its cunning functionality, evokes an urban appeal that is reminiscent of the city that never sleeps.

EcoFlex™ Tables

Versatile • Eco-Friendly • Lightweight • Stylish

The **EcoFlex Linenless Banquet Tables** are available in a variety of different sizes to suit your catering and banquet needs. Our EcoFlex line is available at multiple price points to ensure there is a set available that will satisfy your budgetary needs. Customize your collection by choosing from various tabletop sizes, shapes, heights, and finishes. Choose your table's look with a choice of side or corner mount leg designs finished in either brushed stainless steel or one of our powder epoxy finishes. Tops are available in a variety of surface options ranging from our eco-friendly Terrazzo glass/stone, stunning stone-looking porcelain, or double-sided High-pressure Laminates. The unique design of our EcoFlex tables allows for fast and easy set-up, making them perfect for catering and banquets on any occasion. After use, simply remove the tops, fold the leg frames and load them on the transport/storage carts. No tools required.

Shown in: Suede HPL

ECOFLEX LINENLESS BANQUET TABLE OPTIONS

Our EcoFlex Linenless Banquet Tables are the premiere linenless table on the market, with a wide selection of finish combinations available to fit any decor. Save time and money with this linenless table solution. Durable and elegant, EcoFlex Linenless Banquet Tables set up and break down in seconds with no tools required. Perfect for any event!

Tabletops are offered in several options including single sided Terrazzo glass/stone, Porcelain, or a double sided reversible laminate top with your choice of two HPL color options.

*Forbes Industries Mobile Partitions should not be used in windy conditions.
If used outdoors, anchor the partitions appropriately.

WHY MOBILE PARTITIONS?

Whether you are looking to divide a room, guide a crowd to the bar, or enhance your guests' experience by shielding their view of the "back of the house," Forbes Industries line of MOBILE PARTITIONS has the solution for you. Our Mobile Partitions provide an upscale, yet discrete look to keep your highly valued guests' attention off of the unsightly yet necessary day-to-day operations. Each unit comes equipped with casters or has a specially designed transport/storage cart available to provide ease of mobility and reduce worker's comp claims from lifting.

Shown: 6' Aspen Elite Series in Satin Stormy Birch Paired with Fiji Nesting Tables in Black Woodgrain.

Mobile Stages

MOBILE STAGES | RAMPS | STAIRS | GUARD RAILS | SKIRTING

FORBES STAGES

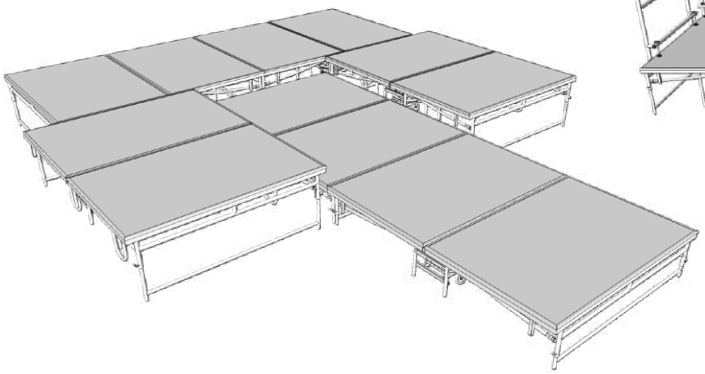

Forbes' Dual-Height Mobile Staging System offers all the advantages of a mobile folding stage, plus the added simplicity and speed of built-in height adjustability.

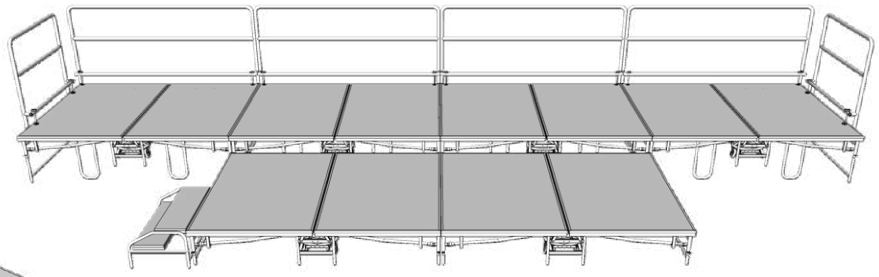

FEATURES - BENEFITS

- *Our durable Mobile Stages are designed to be set-up and taken down by only two people, resulting in considerable savings in time and labor costs.*
- *Available in two sizes (6'x8' and 4'x8'), our Mobile Stages are ideal for head table risers, performance stages, fashion runways, speaker's platforms, and theater-in-the-round performances.*
- *All necessary accessories are also available: step units, ADA ramps, guard rails, chair/table stops, and stage skirting.*

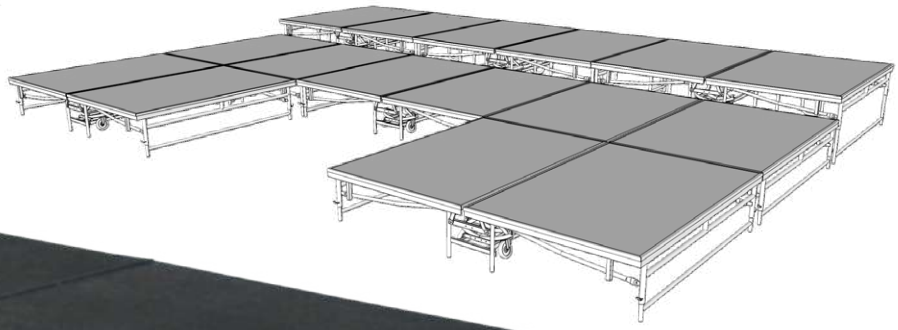

CONFIGURATION OPTIONS

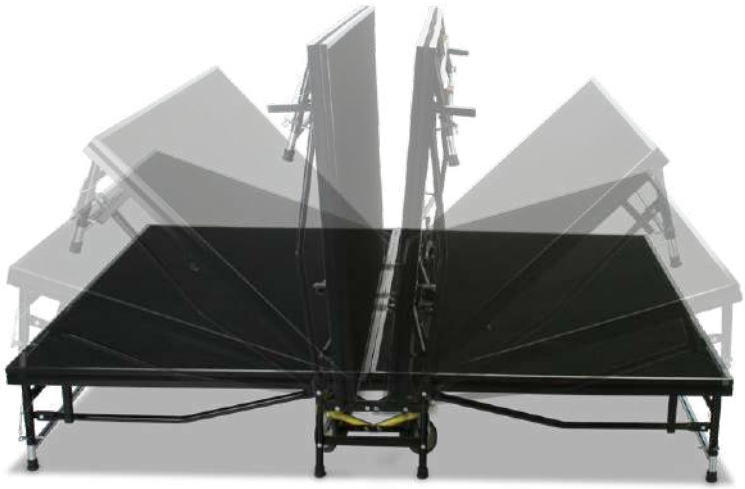

Powder coated steel edge banding provides long lasting wear and durability.

Forbes' pin and cable operation allows for easy height adjustment.

ADA ALUMINUM RAMP PARTS

Our ADA Aluminum Ramp Kit is an essential element of the complete staging system. Allowing anyone to use the stage and comply with the ADA, our Stage Ramp Kit is available for any Forbes Stage. Our ADA Ramp Kit is portable and can be easily used for events as needed. If the ramp is not needed at one event, it can be easily stored until the next one.

MODEL 4196

- *ADA Stage Ramp, 36"W x 24'L*
- *Ramp can be quickly separated into one 16' and one 8' section (*Additional parts required, call for information)*
- *Aluminum Handrails*
- *Vertical support stands*
- *Two approach plates*

SPECIAL FEATURES INCLUDE:

- *ADA-compliant ramp system*
- *Rolls up easily for transport and storage*
- *Made from lightweight aircraft aluminum that supports up to 1,000 lbs*
- *Quick-connect system allows for easy expanding or shortening of lengths*
- *Additional parts required to use two sections at once. Call for more information*
- *Because of its versatile design, there are multiple options for placing your ramp*
- *Kit includes lightweight aluminum handrails, vertical support stands, and two approach plates*
- *Additional transition kits and accessories are available, please call for more information.*

Established 1919

Forbes Industries is a US-based manufacturer with over 100 years of experience in the design and manufacturing of mobile carts and portable products. Many of our products are manufactured in our state-of-the-art facility in California and ship worldwide. Forbes stands by a philosophy that blends an uncompromising commitment to quality and excellence with a dedication to technological advancement and innovation.

Our innovative mobile products make it easy to give your guests 5-star service, when and where they expect it. Our broad line of products includes Banquet Chairs, Banquet Tables, Bars & Back Bars, Buffet Systems, Cocktail Tables, Dance Floors, Host Stations, Housekeeping Carts, Induction Tables, In-Room Dining Equipment, Live Cooking Action Stations, Luggage Carts, Luggage Racks, Mixology Bar Carts, Nesting Tables, Partitions, Podiums, Public Guidance Systems, Rolling Displays, Service Carts, Serving Tables, Signage, Stages, Training Tables, Transport Carts, and Valet Stations.

Our customers trust us to produce portable and mobile product solutions that will project an image of quality and will be long-lasting. No hassles, no worries, just innovations that work.

Thank you for choosing Forbes Industries.
