

RECTANGLE

FLT

(Folding Leg Table)

 **sico**[®]

The POSSIBILITIES ARE ENDLESS

Take the basic folding leg table, add SICO® durability and ingenuity, and you've got a table you can use for almost anything in nearly any setting. Choose from 3 leg styles; 4 leg colors; 12 Armor-Edge® colors and a nearly endless variety of laminates to create just the right look for your space. Even choose to have your table with or without a reversible modesty panel.

No linens needed...or wanted.

Choose from our Urban Landscape color collection for a very sleek city look. Or maybe the warm and earthy colors in our Organic Earth collection fit your space. We've made it easy to find the right look that takes the tried-and-true folding leg table to a whole new level.

Complete your order with a caddy, designed to store the modesty panels with your tables, making set-up and storage a breeze.

Choose from 3 leg styles.
